

**NEW**

# SmarTemp Control fx 2.0 Conversion Kit

Replace existing 1529 & 1531 Timers

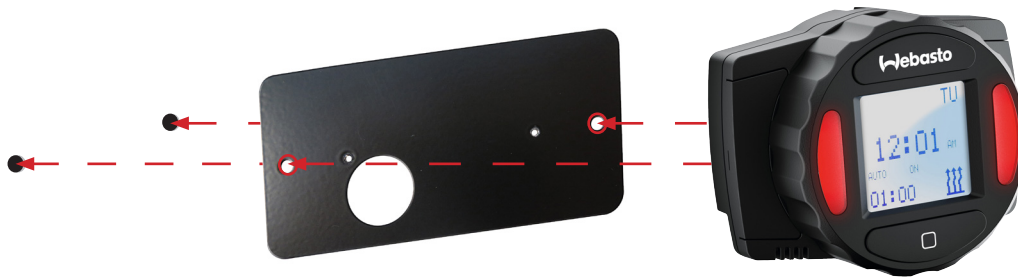

**WARNING:** Cancer and Reproductive Harm  
[www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

To replace 1529/1531 units, mount SmarTemp Control fx 2.0 to existing surface using adapter plate.

*Step 1:* Remove 1529/1531 timer and adapter plate.

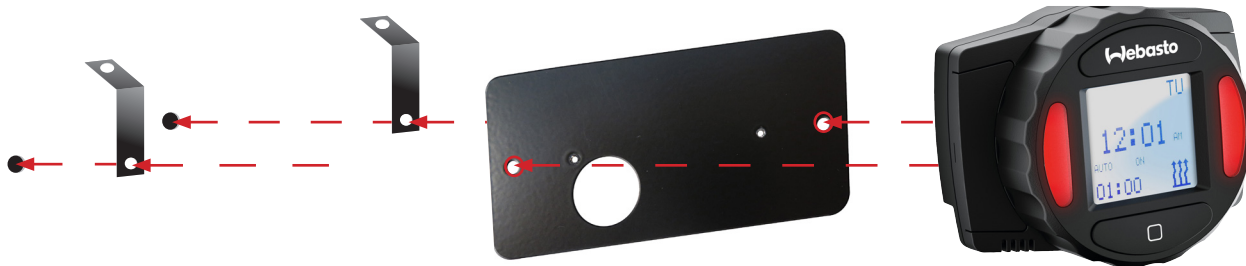

*Step 2:* Simply line up existing mounting holes and affix the new plate and controller.

**Standard mount directly to surface (i.e. dashboard)**

**Complete Kit (P/N 5011623A) includes:**  
SmarTemp Control fx 2.0  
Mounting Plate  
Mounting and Kit Screws  
Brackets

**Standard mount using "L" brackets (i.e. below dashboard)**

1529

1531

**NOTE:** SmarTemp Control fx 2.0 replaces the 1529/1531 timers.  
They are no longer available.
